Training	(Simplified) Voyage Data Recorder e-learning
Module(s)	JCY-1800, JCY-1850, JCY-1900, JCY-1950
Target group	Service Engineers
Location	Online via e-learning
Price	€700,- per person

DESCRIPTION

This training examines the installation, operation, maintenance, Annual Performance Test and commissioning of JRC's Voyage Data Recorder JCY-1800, JCY-1850, JCY-1900 and JCY-1950.

ENTRY REQUIREMENTS

- Company of the service engineer is in the possession of a JRC MFD and GMDSS certificate
- Employer of the service engineer has a signed high seas dealer agreement with JRC/Alphatron Marine in force
- Service engineer must be employed at distributor in Europe, Russia, Africa or Middle East
- Basic knowledge of Windows
- Understanding of industry standards IEC61162-1 and IEC61162-2
- Advanced understanding of maritime navigation equipment, onboard command & control, engine management and alarm systems
- Service engineer is recommended to have at least one year of field experience

APPLICATION

The engineer can apply for this training by registration on the JRC website.

Please note that it is important to fill in the personal work e-mail address of the engineer. We can use an e-mail address only once for one account in our portal so when you would like to register more engineers now or in the future for our e-learning modules, it will not be possible with the same e-mail address.

CURRICULUM

- General introduction
- Generic entry test
- Training content VDR 1800/1850
- Training content VDR 1900/1950
- Annual Performance Test (APT)

CLASSROOM TRAINING

After the e-learning module is completed succesfully, the engineer need to apply for the virtual classroom assessment for the practical part of the VDR training. A certificate will be issued when the engineer completes this virtual classroom assessment succesfully.

For more information about possible dates and prices, please check '(S)-VDR JCY-1900/1950 virtual classroom assessment' and '(S)-VDR JCY-1800/1850 virtual classroom assessment" on our JRC website.

CERTIFICATION

A certificate will be issued when the engineer has completed the e-learning module and virtal classroom assessment both succesfully.

- With this certificate the engineer is allowed to perform the installation, operation, maintenance, APT and commissioning of the JRC (Simplified) Voyage Data Recorder JCY-1800/1850 and JCY-1900/1950.
- This certificate is valid for 2 years and can be renewed for another 2 years when the engineer meets the requirements of our procedure.
